SANDY CITY CORPORATION
SPECIFICATIONS FOR
TYPE C ROAD SALT
JULY 2009

I. INTENT OF SPECIFICATION

It is the intent of these specifications to set forth the minimum acceptable requirements for type C salt. This product will be used for the 05/06 snow season. Orders will be placed depending on the number of storms during the season and the availability of the vendor to deliver when necessary. Complete amount of ordered product to be delivered, No partial orders. Deliveries will be made to Sandy City Public Works Building at 8775 South 700 W. Sandy, Utah, on an AS NEEDED and ORDERED BASIS.

II. SUBMISSION OF BIDS

All bids must be submitted on the bid form provided by Sandy City Corporation. Bids shall be submitted in a sealed envelope with the project title shown on the face of the envelope or by Facsimile including a cover sheet. In order to be considered for award, the bidder must complete all forms and submit the same with the signed cover sheet, on or before the specific date and time for the bid opening.

III. SIGNATURE ON BID REQUEST

The bid cover sheet must be signed by an authorized representative of the company named thereon. The signature on this form shall be interpreted to signify the vendor's intent to comply with all the terms, conditions and specifications set forth in this solicitation, unless specific exceptions are noted on the face of the bid.

IV. DELIVERY AN IMPORTANT FACTOR

Price alone will not determine the best bid. Bidders must state a delivery time after an order has been placed. All bidders are hereby advised that delivery will be an essential factor in the award of this bid. Stated delivery time must be based upon company projections. The City may require written confirmation of the projected delivery time from the company prior to award of the purchase order. Bidders are advised that failure to meet projected delivery dates without acceptable cause may result in cancellation of contract and possibly removal of the vendor from the bid list. All deliveries will be made to the Sandy City Fleet Maintenance Shops located at 8775 South 700 West.

V. SPECIFICATIONS NON-RESTRICTIVE

These specifications are intended to be descriptive and non-restrictive. Brand or trade names are used to identify quality and performance levels and approved equals will be considered.
